

DSB Lobbies To Re-Open Monday, June 8

Dear DSB Customer,

As part of the COVID-19 re-opening as allowed by public health policy, Denison State Bank plans to open its lobbies to the public on **Monday, June 8, 2020**, during regular posted hours. We will need to observe several new safety procedures. We thank you in advance for your cooperation in following these procedures when visiting any of our lobbies. We reserve the right to open and close as local public health conditions warrant.

Upon entering the lobby, you will be asked to sanitize your hands with provided hand sanitizer.

Social distancing will be enforced. Signs on the floor of the teller area will be in place to help you maintain distance between people and when transacting with the teller.

Customers are welcome to wear face masks. You may be asked to temporarily lower or remove your mask so we can positively identify you.

Lobby capacity will be limited and therefore the lobby might be temporarily closed so that social distancing can be maintained. Seating in the lobby will be limited with all chairs at least 6 feet apart.

Once you are done with your banking business here, please exit the lobby and minimize interactions with other employees and lobby customers.

We encourage you to use others ways of banking with us, such as:

- Call us during business hours: 1-800-633-2423 or email us online@dsbks.com
- Register and login to DSBconnect digital banking. See more at www.dsbks.com
- Use our drive-up lanes and ATMs for deposits and withdrawals.
