

# WATCH IT GROW

**Money can grow, but not in dirt.**

A savings account is the best environment in which to grow money. The next time you get some money, give it a chance to grow by putting it in a savings account. Denison State Bank has special accounts to help kids just like you to grow their money!

## Ask Penny...

Dear Penny,

I have been hiding my allowance in a box under my bed. Is that a safe place to keep it?

Your friend,  
Austin

Dear Wise Saver,

The bank is a safer place to keep your money, and every month the bank pays you for keeping it in your savings account. Over time, that extra money really adds up!
