

DENISON STATE BANK
MOBILE DEPOSIT SERVICE AGREEMENT

Mobile Deposit is designed to allow you to make deposits of checks (“original checks”) to your Denison State Bank (“us, we, out”) checking and/or savings accounts by scanning the original checks and delivering the digital images and associated deposit information (“images”) to us or our processor with your mobile device. After the customer (“you, your”) registers for DSB Online/Mobile Banking and does a login to our Mobile Banking App, you may register for Mobile Deposit. Your registration approval is based on your checking and/or savings account(s) being in good standing.

Limits. We limit the dollar amount and/or number of items or deposits. If you attempt to initiate a deposit in excess of these limits, we may reject your deposit. If we permit you to make a deposit in excess of these limits, such deposit will still be subject to the terms of this Agreement, and we will not be obligated to allow such a deposit at other times.

Eligible items. You agree to scan and deposit only checks (*i.e.*, drafts drawn on a credit union, savings and loan or bank and payable on demand.)

You agree that you will not use Mobile Deposit to deposit:

- Checks payable to any person or entity other than you (*i.e.*, payable to another party and then endorsed to you).
- Checks payable to you and another party who is not a joint owner on the account.
- Checks that contain evidence of alteration, or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.

Requirements. Each image must provide all information on the front and back of the original check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. Your endorsement must include your signature and “For mobile deposit”, or you can check the “Check Here If Mobile Deposit” checkbox if your check has that option printed on it. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

A check payable to two payees must be endorsed by both payees. If the check is payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check.

Receipt of Deposit. All images processed for deposit through Mobile Deposit will be treated as “deposits” under your current Account Agreement with us and will be subject to all terms of the Account Agreement. When we receive an image, we will confirm receipt via email to you. We shall not be deemed to have received the image for deposit until we have confirmed receipt to you. Confirmation does not mean that the image contains no errors. We are not responsible for any image that we do not receive.

Following receipt, we may process the image by preparing a “substitute check” or clearing the item as an image.

We reserve the right, at our sole and absolute discretion, to reject any image for remote deposit into your account. We will notify you of rejected images.

Original checks. After you receive confirmation that we have received an image, you must securely store the original check for 14 calendar days after transmission to us and make the original check accessible to us if we request. If fraudulent activity is suspected, we may request you will deliver to us within 10 calendar days, at your expense, the requested original check in your possession; if not provided in a timely manner, such amount will be reversed from your account. Promptly after 14 days have expired, you must destroy the original check by first marking it “VOID” and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. After destruction of an original check, the image will be the sole evidence of the original check.

You agree that you will never re-present the original check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

Returned Deposits. Any credit to your account for checks deposited using Mobile Deposit is provisional. If original checks deposited through Mobile Deposit are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check or a substitute check. Our standard return payment fee may apply. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

We may debit other accounts you own in this bank to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

Your Warranties. You make the following warranties and representations with respect to each image:

- Each image is a true and accurate rendition of the front and back of the original check, without any alteration, and the drawer of the check has no defense against payment of the check.
- The amount, payee(s), signature(s), and endorsement(s) on the image and on the original check are legible, genuine, and accurate.
- You will not deposit or otherwise endorse to a third party the original check and no person will receive a transfer, presentment, or return of, or otherwise be charged for, the original check or a paper or electronic representation of the original check such that the person will be asked to make payment based on an item that has already been paid.
- There are no other duplicate images of the original check.
- The original check was authorized by the drawer in the amount stated on the original check and to the payee(s) stated on the original check.
- You are authorized to enforce and obtain payment of the original check.
- You have possession of the original check and no party will submit the original check for payment.

With respect to each image, you make to us all representations and warranties that we make or are deemed to make to any party pursuant to law, regulation or clearinghouse rule. You agree that files and images transmitted to us will contain no viruses or any other disabling features that may have an adverse impact on our network, data, or related systems.

Compliance with Law. You will use Mobile Deposit for lawful purposes and in compliance with all applicable laws, rules and regulations. You warrant that you will only transmit acceptable items for deposit and have handled the original items in accordance with applicable laws, rules and regulations.

Mobile Deposit Unavailability. Mobile Deposit may be unavailable temporarily due to system maintenance or technical difficulties, including those of the Internet service provider, cellular service provider and Internet software. In the event that Mobile Deposit is unavailable, you may deposit original checks at our branches.

Funds Availability. Specific to Mobile Deposit, deposits made to an account **before 6:00 p.m. weekdays** will be credited to the account on that business day. Deposits made **after 6:00 p.m. weekdays** will be credited to the account at the end of next business day.

Our general policy is to allow you to withdraw funds deposited in your account on the first business day after the day we receive your deposit. Funds from electronic direct deposits will be available on the day we receive the deposit. In some cases, we may delay your ability to withdraw funds beyond the first business day. Then, the funds will

generally be available by the second business day after the day of deposit and no later than the seventh business day after the day of deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays and federal holidays. If you make a deposit during normal business hours on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after normal business hours or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

Mobile Deposit Security. You will complete each deposit promptly. If you are unable to complete your deposit promptly, you will ensure that your mobile device remains securely in your possession until the deposit has been completed. It is your responsibility to establish and maintain procedures to safeguard against unauthorized deposits. You will notify us immediately by telephone with written confirmation if you learn of any loss or theft of original checks. You will ensure the safety and integrity of original checks from the time of receipt until the time of destruction. If warranted in our reasonable judgment, we may audit and monitor you, and you agree to cooperate with us to permit such monitoring, to confirm that you have satisfied your obligations under this Agreement.

Your Responsibility. You are solely responsible for the quality, completeness, accuracy, validity and integrity of the image. You are solely responsible if you, intentionally or unintentionally, submit fraudulent, incorrect or illegible images to us or if Mobile Deposit is used, by authorized or unauthorized persons, to submit fraudulent, unauthorized, inaccurate, incorrect or otherwise improper or unusable images to us.
