

DENISON STATE BANK
Mobile Banking App * Updated Version 5.6
September 13, 2017

TO: DSB Mobile Banking App Users:

Denison State Bank mobile banking app version 5.6 was released to the app marketplace sites on Sept. 12, 2017. Enhancements in the release are available for both Apple iOS and Android apps.

You can now install the free upgraded app version at the App Store (iOS), Google Play (Android) and Amazon (Kindle). Search for “Denison State Bank,” install the app, and open the app.

Along with routine “bug” fixes, the main change are:

1. Settings

You can now edit your Username, Password, phone numbers and email address on the app. This will carry over to the online (browser) banking too. The following settings remain accessible only on a browser login to www.dsbks.com > Settings: “Rename and Hide Accounts,” “Alerts & Notifications,” and “Text Banking.”

2. Revised Navigation

Here is the new navigation display order:
