IRS tax scams on email

The Internal Revenue Service will never contact the public by email with the following requests:

- Fill out the attached form within 24 hours.
- You are being audited. Please provide the following personal information.
- To obtain your refund more quickly, please complete the attached form.
- We have just discovered that you overpaid your taxes; please provide your bank account information for direct deposit to your account.

The IRS has stated it will only contact the public by U.S. mail.
