Visa Giving Gateway is powered by Blackbaud. For support please review our frequently asked questions or contact Blackbaud at 1.877.801.7249. Information in charity profiles comes from the charity and the IRS, and is not verified or endorsed by Visa. Visa does not verify, endorse or sponsor any charities, including Featured Charities, at or through Visa Giving Gateway. Neither Visa nor Blackbaud make solicitations. Donations made through Visa Giving Gateway are solicited, collected, received and processed by Renaissance Charitable Foundation, Inc. (RCF), a registered 501(c)(3) publicly supported charity, who will in substantially all cases grant the amounts donated (less an administrative fee) to the charities recommended by donors. RCF has exclusive legal control over all donations. Like any tax-deductible contribution, donations are non-refundable. Learn more at visagiving.com.
